Part 1: THE FINAL WOUND

THE FINAL WOUND We are all well within our rights to hate this particular war or that, without punishing the men and women that were sent to fight it. We owe them more than our fleeting thanks, we owe them genuine support. But today there are 313,087 **homeless** veterans on the streets or in city shelters on any given night in this country. 500,000 veterans will experience homelessness sometime this year. Our producer Kathy Golden attended a **pizza** party at the New York City Rescue Mission in lower Manhattan and spoke with the shelter's Director, Jim Von Hagen and with several veterans living at the Mission.

Part 2: A SLICE & A SMILE

A SLICE & A SMILE When he's not hosting his cable TV show on Bollywood, Obaid Kadwani, co-founder and Special Events planner for the multicultural, Arts Center, Eye-Blink, is cooking up his next big idea. But this time, **Pizza** Hut did the cooking and Obaid did the organizing, bringing a favorite hot meal and countless smiles to the residents of the New York City Rescue Mission. Kathy talks with some of the veterans at the **pizza** party and with Eye-Blink's Obaid Kadwani.

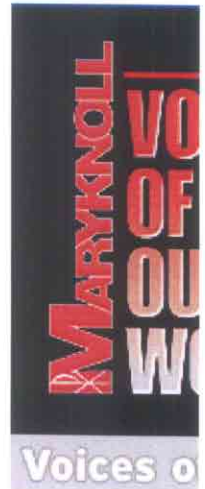

Host: **Eileen Bott**

Produced by: **Kathy Golden**
